Quizzing Information

Teen quizzing is an in depth Bible study program of the church of the Nazarene that involves friendly competition among churches, districts, and fields. This year, quizzers will spend the school year learning the Gospel of John. Once a month we will travel to join other churches in our district in a quiz meet. The quizzers work as a team as they answer questions based on the chapters they have studied. Students are welcome to be quizzers and learn the book even if they do not attend all of (or any of) the quiz meets. The most important part of quizzing is learning the Word. However, quizzers tend to love the competitions and make many friends around the district as they get to know other quizzers.

Practices are after church on Sundays until 2:15. Lunch will be provided (parents will sign up for turns providing lunch)

The annual quiz fee is \$25 – this covers quiz entry fees, quiz material (except quiz app), and t-shirt. The quiz camp is an additional \$25 to help pay for the cabin and meals for the weekend.

Quiz material –

- Please have a backpack or sling bag dedicated to your quiz material that you will bring to camp and to practice on Sundays
- John concordance (provided)
- John quizzer daily devotional (provided)
- Quiz app – search for “Youth Bible Quiz 18” – this is \$4.99 and is a very valuable resource as it provides the Scripture, practice questions, rule book, memory verses, and audio recordings. If you do not have access to a device to use the app, please let me know so that I can get you the material in another format. If you have the quiz app, please bring earbuds or headphones with you to camp.
